Provision of deemed clearance for cases delayed beyond 45 days

Haryana: Economic Powerhouse of India

Haryana is known for its vibrant agrarian economy and strong industrial base. It is amongst the front runners of Industrial development in India that is showcased with its leading position in production of a number of industrial /consumer goods i.e. nearly 80% of escalators, 52% of cranes, 50% of cars and 33% of two-wheelers are manufactured in the state. The state has also emerged as a base for the knowledge industry, including IT and biotechnology. Haryana is the third largest exporter of software and one of the preferred destinations for IT/ITeS enterprises.

Haryana has been ranked 4th in State Investment Potential Index in recent study by National Council of Applied Economic Research (NCAER). The State has around 1670 large & medium enterprises having investment of Rs. 49,000 crore and provided employment to 3.36 lakh persons. There are approx. 90,000 MSMEs with total investment exceeding Rs.15,000 crore and employing over 8.90 lakh persons.

Highest automobile manufacturing State

With 1.3% of India's total area contributing about 4% to India's GDP

State's annual growth rate (CAGR) of 12.12%

Strategic Location

Consistent Economic Growth

Responsive Governance

Robust support Infrastructure

Enterprising Human Capital

Industrial Clusters and Economic Hub

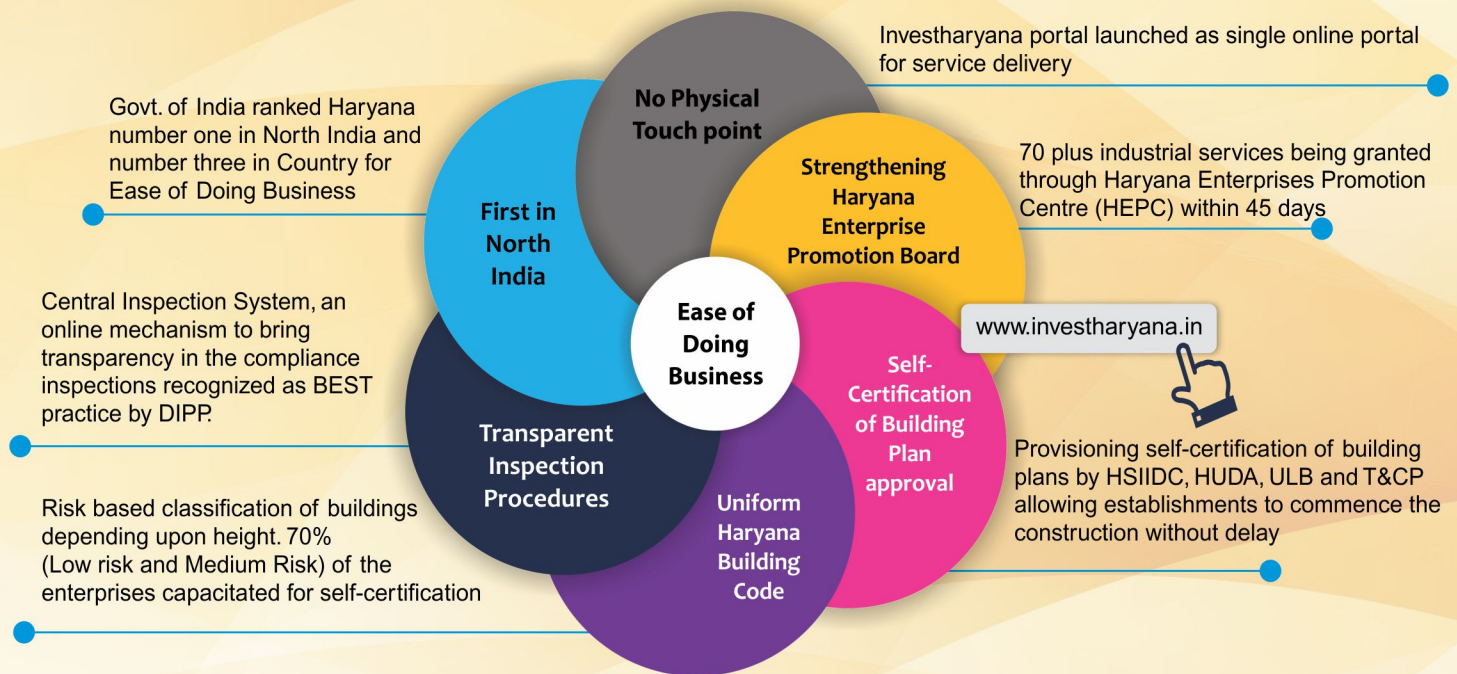

Ease of Doing Business

Favorable policies

Key initiatives undertaken for Ease of Doing Business

Haryana Enterprises Promotion Centre (HEPC)

Government of Haryana announced Enterprise Promotion Policy, 2015 to position Haryana as pre-eminent investment destination. Ease of Doing Business is one of the foundation pillars of the Enterprise Policy. State enacted Haryana Enterprise Promotion Act, 2016 providing for Single Window Mechanism to grant online clearances through www.investharyana.in portal. Established in February, 2017, Haryana Enterprises Promotion Centre (HEPC) - a unique Single Roof Clearance System is created to benefit new investments and expansion projects for granting enterprise related clearances in a time bound manner under one roof.

Under the chairmanship of the Hon'ble Chief Minister, Haryana Enterprise Promotion Board has been set up at apex level. A two tier system consisting of an Empowered Executive Committee (EEC) and District Level Clearance Committees (DLCCs), is granting clearances of above 20 departments to the enterprises who have filled Composite Application Forms on the portal. Projects having investment more than Rs. 10 crore and involving CLU of more than one acre land shall be cleared by the EEC and projects having investment upto Rs. 10 crore and involving CLU upto one acre land in conforming zone shall be considered by the DLCC.

The investor is required to fill-in Online Composite Application Form through web portal (www.investharyana.in) to obtain the clearances for the establishment of the project.

✓ 70 plus clearances from above 20 Departments are granted in HEPC

✓ State Level clearances /services would be granted in maximum 30 days plus 15 days, in case additional information is required from the investor

✓ Above 20 officers from various Departments are seated permanently under one-roof in HEPC

✓ 44 Relationship Managers and 20 Relationship Executives provide handholding support to Investors for the implementation of their projects.

✓ Dedicated Investor Help Desks set up in Panchkula for expeditious query resolution of the Investors
